Dear Mr. Kempton:

SUBJECT: FY 2007 FTIP Amendment No. 2 – Council of Fresno County Governments
(COFCG)

The Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) have completed the review of Amendment No. 2 to the COFCG 2007 Federal Transportation Improvement Program (FTIP) that was submitted by your letter dated January 22, 2007. COFCG adopted Amendment No. 2 with Resolution No. 2006-41 on December 14, 2006. With that action, the COFCG Board of Directors approved the program modifications and reaffirmed the consistency of the COFCG FTIP with the applicable State Implementation Plan (SIP) for air quality.

The COFCG 2007 FTIP Amendment No. 2 modifies funding and/or schedules for exempt projects in the SHOPP, CMAQ, HES and RSTP project categories in 2007. These program modifications are exempt from the regional emissions analysis requirements pursuant to the transportation conformity provisions found in 40 CFR Part 93 Sections 126 and 127. This finding has been coordinated with Region 9 of the Environmental Protection Agency (EPA) in accordance with the procedures outlined in the *National Memorandum of Understanding between DOT and EPA on Transportation Conformity*, dated April 25, 2000. Therefore, we find that the FTIP continues to conform to the applicable State Implementation Plan (SIP).

Pursuant to the July 15, 2004, *Memorandum of Understanding between the Federal Highway Administration, California Division, and the Federal Transit Administration, Region IX*, we accept the modifications to the 2007 Federal Statewide Transportation Improvement Program (FSTIP) for the COFCG region in accordance with the Federal statewide and metropolitan transportation planning regulations codified in 23 CFR Part 450. We find that COFCG's 2007 FTIP, through Amendment No. 2, was developed through a continuing, cooperative, and comprehensive transportation planning process carried out in accordance with the metropolitan planning provisions of 23 U.S.C. Chapter 134, and 49 U.S.C. Chapter 53. This approval is

provided with the understanding that the FTA funding approval on the individual projects contained in the FSTIP are subject to grantees meeting all necessary FTA administrative requirements.

This letter constitutes approval and inclusion of the COFCG's FTIP Amendment No. 2 into California's 2006/07 – 2008/09 FSTIP.

If you have questions or need additional information concerning our approval for this COFCG FSTIP amendment, please contact Steven Luxenberg (steve.luxenberg@fhwa.dot.gov) of the FHWA California Division office at (916) 498-5066.

Sincerely,

/s/ Steve Luxenberg
